

MIDSOMER NORTON  
TOWN COUNCIL  
**VE DAY**

We invite you to commemorate this day safely at home.

At 3pm on Friday 8th May 2020 please raise a glass to Toast the Heroes of WW2, and at 9pm join in with a special rendition of We'll Meet Again screened on BBC One.

Join the nation in decorating your home and windows in red, white and blue! Make your own bunting - find out how at [bbc.co.uk/makeadifference](http://bbc.co.uk/makeadifference). Or discover the free VE Day party pack at [english-heritage.org.uk](http://english-heritage.org.uk).

The Royal British Legion are also hosting a VE Day 75 Webcast at 11.15am sharing stories and memories from those who served during WW2. They also have VE Day learning resources to ensure Remembrance is understood and available to every child in the UK.

Please send us your photographs of your celebrations by emailing: [administrator@midsomernortontowncouncil.co.uk](mailto:administrator@midsomernortontowncouncil.co.uk). Please note these may be published online.
