

PRESS RELEASE

Midsomer Norton Life Magazine

Midsomer Norton Town Council are looking for people to contribute interesting articles about their community for the magazine Midsomer Norton Life. We are keen to receive pieces about a wide range of topics including local history, ecology, sport or wildlife. Have you discovered anything new about your local area during your lockdown walks? Do you know of any groups who have been helping in the community, or have you been helping others? How has your community group coped during the last six months?

The quarterly guide to community life was launched in 2011, is produced by Ignyte and sponsored by the town Council. Copies of the magazine are delivered to those living in the area covered by Midsomer Norton Town Council. You can read previous issues on the Town Council website: www.midsomernortontowncouncil.co.uk

Please send your any questions, ideas or articles for the Winter edition of Life to info@midsomernortontowncouncil.co.uk by Friday 30th October. Items should be between 250 and 1000 words long and relate to the area of Midsomer Norton. Please note it will not be possible to promote local business in the articles. Your Town Council looks forward to hearing from you.
